

FCC Proceeding Number 05-247

August 16, 2005

To whom it may concern:

I am a Continental Airlines frequent flyer and member of its Presidents Club, and fully support Continental's Petition to the FCC. I want Continental to be able to continue to provide its own wireless service to me and other members at Boston Logan and other airports, which is a free service. I rely on Continental's seamless, reliable service wherever and whenever I fly. Thank you for ensuring the right of the public to use the wireless service of its choice.

Sincerely,

Roger J. Boss
